## TEXT FIGURES

### MYCERINUS PYRAMID TEMPLE

1. Débris in great court, mud wall well preserved, section ........................................ 13
2. Débris in great court, low mud wall where granite block has been removed, section .......... 14
3. Room (16), plan ........................................................................................................... 16
4. Room (17), plan ........................................................................................................... 16
5. Room (18), plan ........................................................................................................... 17
6. Room (27), with Roman burials .................................................................................... 20
7. Rooms (19) and (20) and drain hole, showing position of alabaster fragments ................. 23
8. Plan of granite pavement, room (29) and section showing stela .................................... 27
9. Room (29), restored ..................................................................................................... 27
10. Portico and offering room, restored ............................................................................ 71
11. Corridor (13), section I: N-S, looking east .................................................................. 80
12. Corridor (13), section II: N-S, looking east .................................................................. 81
13. Corridor (13), section III: N-S, looking east ................................................................ 81
14. Red granite casing block ............................................................................................ 85
15. Proposed method of raising square pillars .................................................................. 85
16. Proposed method of raising square pillars .................................................................. 85
17. Bonding in wall between rooms (17) and (18) .............................................................. 89

### MYCERINUS VALLEY TEMPLE

18. Court, brickwork of niched wall .................................................................................. 90
19. Plan and elevation of threshold and doorway (1) to (2), first temple ......................... 91
20. Detail of roofing .......................................................................................................... 93
21. Section S-N through portico of first temple, showing restoration of columns and roof ... 93
22. Section S-N through outer offering room, second temple, showing restoration of columns and roof ................................................................................................................. 93

### STONE VESSELS

23. P. D. types I and II ...................................................................................................... 132
24. P. D. types III, IV, V, VI, IX-XI .................................................................................. 135
25. P. D. types IV-VIII ...................................................................................................... 135
26. Dynasty I type I ......................................................................................................... 143
27. Dynasty I types I-III .................................................................................................... 144
28. Dynasty I types IV, V .................................................................................................. 145
29. Dynasty I types VI-VIII ............................................................................................... 147
30. Dynasty I types IX, X, Xe ........................................................................................... 149
31. Dynasty I types Xa, Xe ............................................................................................... 150
32. Dynasty I types XI, XII ............................................................................................... 152
33. Dynasty II types I a-e ................................................................................................. 154
34. Dynasty II types III-V ................................................................................................. 157
35. Dynasty II, variations of types IX and X ....................................................................... 158
36. Dynasty II types XI, XII .............................................................................................. 161
37. Dynasty III type I ...................................................................................................... 165
38. Dynasty III types III, IV ............................................................................................. 165
39. Dynasty III type Va (1) ............................................................................................... 167
40. Dynasty III types V a-e ............................................................................................... 168
41. Dynasty III types IX, X ............................................................................................... 169
42. Dynasty III types XI, XII ............................................................................................ 173
43. Dynasty IV ................................................................................................................. 175

LIST OF ILLUSTRATIONS

PLATES

MYCERINUS PYRAMID TEMPLE

1. a. Seen from Second Pyramid looking down south, before excavation, December 1, 1906. — b. Seen from Second Pyramid looking down south, after excavation, April 16, 1907.

2. a. Outer temple seen from Third Pyramid, looking down east, before excavation, December 1, 1906. — b. Seen from Third Pyramid, looking down east, after excavation, May 18, 1907.

4. a. Portico (7) and screen-wall, looking south, February 7, 1907. — b. Court (5), N-W quarter with doorway (12), looking N-W, February 7, 1907. — c. Court (5), east wall, south part, emplacements for granite casing, looking down N-E, June, 1907. — d. Court (5), portico (7), and offering room (8) from eastern side of court, looking west, June, 1907.

8. a. Fragments of statues outside magazine (20), looking S-W, April 14, 1907. — b. Magazine (20), fragments of statues in drain hole, looking north, January 20, 1907. — c. Alabaster head and other fragments outside drain hole, looking south, April 14, 1907. — d. Near view of alabaster head and other fragments, looking north, April 14, 1907.

9. a. Crude-brick walls south of western end of causeway, looking east, June, 1907. — b. Room (11) looking south, January 9, 1907. — c. Looking west from room (20) to room (31), October 18, 1923. — d. Corridor (23), sloping floor, looking north, April 5, 1907. — e. Room (26), Roman stair on sand, looking east, April 4, 1907. — f. Room (36), doorway looking down north, April 12, 1907.

10. a. Inner temple and magazines of outer temple, looking down east from the pyramid, June, 1907. — b. Inner temple and construction plane, looking north, June, 1907.

11. a. Room (22), granite pavement and granite casing of pyramid, looking N-W, October 20, 1923. — b. Room (22), granite pavement and walls of Tutah limestone, with room (27) beyond, looking down east, October 17, 1923.

13. a. Head of statue No. 1, great alabaster statue of Mycerinus, front view seen from below (viewpoint of beholder standing on floor). — b. Head of statue No. 1, great alabaster statue of Mycerinus, front view seen from opposite face (viewpoint of sculptor).

14. a. Head of great alabaster statue No. 1 of Mycerinus, right side, three-quarters view. — b. Head of great alabaster statue No. 1 of Mycerinus, profile of right side.

15. Head of great alabaster statue No. 1 of Mycerinus, left side, four different views.

18. Flint knives and flakes from temple magazines.

LIST OF ILLUSTRATIONS

MYCERINUS VALLEY TEMPLE

27. a. Northern magazines looking south over corridor (20), before opening the old doorway to room (2), January 25, 1910. — b. As above, after opening doorway to room (2), February 7, 1910. — c. View from south end of corridor (20), through (2) and (4) to (21), February 6, 1910. — d. Southern magazines and corridor (4) looking north, with southern wall of second temple in foreground, February 7, 1910.

28. a. Western wall with rubble revetment, looking north, February 4, 1910. — b. Rooms (17), (18), and doorway from (4) to (21), looking south, February 6, 1910. — c. Doorways from (4) to (3), (4) to (19), (4) to (18), and the thieves' hole in (4), looking down east, February 6, 1910. — d. Thieves' hole in rooms (4) and (18) in foreground; rooms (I–4) to (N–I) in background, January 21, 1910.

29. a. Causeway, corridor west of temple, with drain in floor, looking east, February 13, 1910. — b. Doorway from (21) to western corridor, dropped lintel of first temple half cut away, and above this the brickwork of the second temple, looking west, February 5, 1910. — c. Deposit of alabaster splinters from statues, found along southern wall of (I–6), January 23, 1910. — d. Western end of room (III–7), exposed limestone core-wall (Mycerinus), January 11, 1910. — e. Steps in doorway from (4) to (3) and exposed limestone core-wall in (10), looking down W–S–W, February 5, 1910. — f. Eastern end of (5) and doorway to (4), looking down E–N–E, February 6, 1910.

37. a. Corridor (4), triads No. 9 (in front) and No. 12 on right, looking south, July 12, 1908. — b. Corridor (4), triads No. 10 (behind) and No. 11 on right, looking north, July 11, 1908.

39. Triad of the Hare-nome (No. 9), upper part.

40. a. Triad No. 9, right side, half view. — b. Triad No. 9, left side, half view. — c. Triad No. 9, right side, three-quarter view. — d. Triad No. 9, left side, profile.
41. Triad of the Theban nome (No. 10).
42. a. Triad No. 10, right side, half view. — b. Triad No. 10, left side, one-quarter view. — c. Triad No. 10, right side, one-quarter view. — d. Triad No. 10, left side, profile.
43. a. Triad of Jackal-nome, No. 11, upper part, large scale. — b. Triad No. 11, left side, profile. — a. Triad No. 11, right side, half view. — d. Triad No. 11, left side, half view.
44. a. Triad of nome of Diospolis Parva (No. 12), upper part. — b. Triad of nome of Diospolis Parva (No. 12), faces of the king and the nome-goddess.
45. a. Triad No. 12, right side, profile. — b. Triad No. 12, left side, profile. — c. Triad No. 12, right side, half view. — d. Triad No. 12, left side, one-quarter view.
47. a. Room (1) of second temple (portico of first temple), showing four bases and other fragments of alabaster statues as found, looking west, July 16, 1908. — b. Alabaster statues Nos. 19 and 18, back and right side (in camp court yard). — c. Alabaster statue No. 19, front and left side.
49. Head of alabaster statue No. 18, six views.
50. Alabaster head No. 22, four views.
51. Alabaster head No. 22, four views including back and top of head.
52. Alabaster head No. 23, four views.
53. Alabaster head No. 23, four views.
55. The slate pair (No. 17), upper part (torso and heads, front).
56. The slate pair (No. 17), three views.
57. The slate pair (No. 17), two views.
58. The slate pair (No. 17), upper half, right side, profile.
59. The slate pair (No. 17), four views of the heads.
60. The slate pair (No. 17), four views.
67. a. Alabaster vessels, types I, V-c, V-b. — b. Alabaster vessels, types IV, V, VI.
68. Alabaster vessels, types IX-XIII. — b. Miscellaneous stone vessels. — c. Alabaster, large type I. — d. Blue-reined limestone, types IV, V.
72. a. Pottery, selected types from whole temple. — b. Pottery from room (I-302 sub.).
LIST OF ILLUSTRATIONS

MYCERINUS QUEEN'S TEMPLE

77. a. Temple III-a, room (9), slab-altar, looking down S-S-W. — b. Temple III-a, room (9), northern offering-place, looking N-N-W. — c. Temple III-a, looking west on axis to pyramid from room (9). — d. Temple III-a, doorway from (9) to (3), north wall, print of door-leaf on wall. — e. Temple III-a, room (9), east wall, southern part, brickwork, looking down east.

A. Line drawings of inscriptions (at end of Appendix F).

PLANS

I. Mycerinus Pyramid Temple, plan and longitudinal section A-B.

II. Mycerinus Pyramid Temple.
   Section C-D: E-W through (13), (26), (28), (30), and (31), looking south.
   Section E-F: S-N through west side of court, looking west.
   Corridor (13), south wall, granite casing.

III. Mycerinus Pyramid Temple.
   Section I-J: N-S through (30), (15), (14), (21), (23), (8), and (10), looking east.
   Section K-L: S-N through (37), (26), and (32), looking west.
   Section M-N: S-N, corridor (28), looking west.
   Section O-P: S-N through (29b), (34), (33), (32), and (31), looking west.

IV. Mycerinus Queen's Temple.
   Temple III-a, plan and section S-N through (7), (1), and (9), looking west.

V. Mycerinus Queen's Temple.
   1. Plan of northern half of west wall of room (9), showing offering table.
   2. Elevation of west wall of offering hall (9), north end.
   3. Detailed section of A (in 1 above).
   4. Section E-F: E-W through room (9).
   5. Elevation of face-bonding, room (9).
   6. Section E-W through wall between (3) and (9), omitting irregularities.
   7. Brick bonding, room (9).

   Temple III-c. Section A-B, looking east.
   Temple III-c. Section C-D, looking north through (1) and (2).
   Temple III-b. Plan.

VII. E-W section through three small pyramids south of Third Pyramid and their chapels, looking north.

VIII. Mycerinus Valley Temple.
   Plan.

IX. Mycerinus Valley Temple.
   Plan of the first crude-brick temple.

X. Mycerinus Valley Temple.
   Section A-B through sanctuary and storerooms, looking west.
   Section G-H through north side of temple, looking south.
   Section E-F through south side of temple, looking south.
   Section C-D on main axis.

XI. Builders' inscriptions and leveling lines on core walls, Mycerinus temples.

XII. Builders' inscriptions on granite casing blocks, Mycerinus temples (in red); Builders' inscriptions of Cheops in the Great Pyramid (in black).
